Your Voice Your Choice

HAVE YOUR SAY....

We think it's important that everyone living in Lower Falinge can help decide how £30,000 can be spent to improve your neighbourhood... So we're giving you the chance to take the lead and decide how to spend the money thanks to 'Your voice, your choice'.

How does this work?... It's simple!!

- You are invited to develop your own project idea with the help of a group/organisation that will contribute towards the priorities of Lower Falinge.

Then what happens?...

- Once we have received all the project applications; you as a resident of Lower Falinge can then vote which projects you think are the best. The project that gets the most votes will get the money...

What can 'Your voice, your choice' fund? – This is really up to you and your neighbourhood to decide however applications must fit into one or more of the four priorities:

- Improving people's skills, enterprise and confidence
- Improving people's health and wellbeing
- Improving and promoting a safe environment in Lower Falinge
- Improving people's sense of belonging and pride in Lower Falinge

How much of the money can I apply for? – Your project can bid for up to £5,000

When will this happen?...

- You can start working on 'Your voice, your choice' application now!
- Be quick... The form must be returned by 30th September 2010.
- We will publicise all the projects for you to consider and vote which is the best...
- Voting will start on 18th October 2010, so keep a look out for all the projects you can choose from and make sure you vote!!!

And finally...

- If you have a great project idea but need someone to work with, let us know and we can point you in the right direction.
